**Whereas**, for the third year in a row, members of North Point Church adopted a northside school for the church's Project Partnership Labor of Love; and

**Whereas**, from bike racks to baseboards, Bowerman Elementary School received an extensive facelift during a five-hour renovation carried out by more than 250 North Point Church volunteers who scrubbed, scraped, and painted walls, oiled door hinges, cleared weeds from sidewalks, and installed a mural in the first floor corridor; and

**Whereas**, North Point Church began working with Springfield Public Schools more than two years ago, asking the District to help identify northside schools with the most serious needs; and
